Useful Information

Best time to travel

April to June and September to October offer the most comfortable conditions for this itinerary. The programme runs year-round — winter months work well for smaller groups focused on Athens and Delphi with fewer crowds and better hotel rates.

Group size

Designed for groups of 10 to 150 passengers. Larger groups are accommodated with multiple coaches and guide teams where necessary. Minimum group size for this programme is 10 passengers.

Customisation

Duration, hotel category, pace, and included sites can all be adapted to your group's needs. Extensions such as a day cruise from Athens or a visit to the island of Aegina can be added. Contact us with your group's specific requirements and we will prepare a tailored proposal.

Walking difficulty

Moderate. Most sites involve walking on uneven ancient terrain — cobblestones, gravel paths, and steps. Comfortable closed-toe shoes are strongly recommended. The itinerary pace allows adequate time at each site without rushing.

Hotel category

The standard programme uses 4-star hotels throughout. Upgrades to 5-star or adjustments to 3-star are available on request — please advise at time of enquiry.

Dress code

Modest dress is required when visiting churches and monasteries — covered shoulders and knees for all visitors. We advise all groups of this requirement in advance.

Frequently Asked Questions

What is the minimum group size for this tour?

The minimum group size is 10 passengers. Standard programmes run for 20 to 50 passengers. Larger groups of up to 150 are accommodated with additional coaches and guide teams.

Can this itinerary be customised for our group?

Yes. Duration, hotel category, pace, and included sites can all be adapted. We can add or remove destinations, adjust the number of nights in each location, and include optional experiences such as a day cruise from Athens or a cooking class. Contact us with your requirements.

Do we need licensed guides at the archaeological sites?

Yes. Licensed guides are required at all major archaeological sites in Greece including the Acropolis, Delphi, Olympia, and Epidaurus. BenLeToni Tours arranges all guides as part of the programme — multilingual guides are available in German, English, French, Italian, Spanish, Dutch and Japanese.

Is there on-the-ground support during the tour?

Yes. Every group has a dedicated BenLeToni Tours contact who remains reachable throughout the stay in Greece. If a schedule needs to change, a hotel has a problem, or any situation arises on the ground — you call one number and we handle it. This is included in every programme, not an extra service.

What hotel category is used for this programme?

The standard programme uses 4-star hotels throughout. Upgrades to 5-star or adjustments to 3-star are available on request. All hotels are selected by BenLeToni Tours based on quality, location, and group-handling capacity — we know these properties personally.
